General Statement of Professional Experience (written by firm)

Since 1986, Reed & Co. Architecture has provided design services in Maine for a cross section of clients in a broad range of building types. Over the years, our firm has grown in reputation for the quality of our work, our dedication to clients and our reputation as an excellent team player in the building trade and design community. We take seriously our role as guide and problem solver in leading our clients through the design process to the best possible solution.

We remain small to give the best professional and personal service possible. A principal staff members work on every project.
